We would like to amend our MA to request \$2,100,000 from now until September 21, 2017.

We are still expecting to extend our MA thru October 12, 2017. (We will be requesting additional funding from September 22 – October 12, 2017.)

If you have any questions, please let me know.

Thank you.

Michelle

Good day, Michelle. Our JFO has informed me they now have authority for 30-day rather than just 5-day incremental funding. The MA for your ESF-10 mission(s) expires on September 30th, so depending upon your projection of mission duration, the MA can be funded beyond the previous 5-day restrictions. If you project work requirements past the end of September, you may address your request for 30 days in an e-mail to be attached to the MA-3 RRF about which you inquired. That e-mail can be addressed to Ms. Ari Deruise, to whom I have cc'd on this correspondence. Please cc me on your traffic for my "SA".

Please give me a call if this doesn't make sense.

Ari – thanx for your assistance on this.

Philip
